3. RECURRING COSTS (MONTHLY)

Monthly billing starts from the month AFTER website goes live. First month = setup only.

A. Fixed Maintenance Fee

Service	Monthly Fee	Notes
---------	-------------	-------

Website hosting, uptime monitoring, bug fixes, minor updates (up to 5 product adds/month), Google Business Profile management, SEO health check, WhatsApp support	Rs. 2,000/month	Fixed rate while hosting costs remain within free tier (~50K visits/month). Will increase if infra costs rise.
---	-----------------	--

B. Ad Management (Commission-Based)

If you choose to run paid ads (Meta/Google), we manage them on a commission basis:

Period	Our Fee	How It Works
First 2 Months	10% of ad spend	Introductory rate. If you spend Rs. 10,000 on ads, our fee = Rs. 1,000.
Month 3 onwards	To be discussed	Rate will be mutually decided based on performance and scale.

Important: The ad budget itself goes directly to Meta/Google from your account. Our 10% fee is separate and covers campaign strategy, creative design, optimization, and reporting.

Ads are completely optional. You can start organic-only and add ads later when ready.

4. MONTHLY COST SUMMARY

Component	Without Ads	With Ads (example: Rs. 15K spend)
Maintenance Fee	Rs. 2,000	Rs. 2,000
Ad Management Fee (10%)	Rs. 0	Rs. 1,500
Ad Budget (to Meta/Google)	Rs. 0	Rs. 15,000
Razorpay (~2.36% per sale)	~Rs. 12/order	~Rs. 12/order
Your Total Monthly Outflow	Rs. 2,000 + Razorpay	Rs. 18,500 + Razorpay

Start organic. Add ads when you feel ready. No pressure, no lock-in.

5. TRANSPARENT COST WARNINGS

Hum pehle hi bata dena chahte hain - koi hidden cost nahi hoga.

Cost Item	Details	When
Razorpay 2.36%	Every sale: Rs. 500 order = Rs. 12 deducted. Unavoidable - all gateways charge this.	Every sale
GST on Ad Spend (18%)	Rs. 10,000 ad budget = Rs. 8,475 actual spend. GST registration helps claim input credit.	If running ads
Domain Renewal	4 domains, approx Rs. 3,000-4,000/year total for renewal. We will remind you 30 days before expiry.	Yearly
Festival Season Ads	Diwali, Rakhi, Valentine's - CPC rises 1.5-2x. Same budget = fewer clicks. But sales also rise 3-5x.	Seasonal
Hosting Upgrade	Free tier handles ~50K visits/month. Beyond that: Rs. 1,700/month. Maintenance fee will increase accordingly.	At scale
Product Photography	New products need quality photos. Rs. 200-500/product if outsourced. Or DIY - we guide you.	When adding products
Custom Features	Loyalty program, mobile app, etc. - separate development cost. Not in current scope.	Future (optional)

6. PAYMENT PLAN

Flexible options - jo comfortable lage.

Option	Installment 1	Installment 2	Installment 3
2 Payments	Rs. 18,000 (Day 1 - to start)	Rs. 17,000 (Week 3 - on delivery)	-
3 Payments	Rs. 12,000 (Day 1 - advance)	Rs. 12,000 (Week 2 - mid)	Rs. 11,000 (Week 3 - go-live)

Monthly maintenance (Rs. 2,000) starts from the month AFTER website goes live. First month = setup only, no double payment.

7. DELIVERY TIMELINE

3 weeks mein live.

Week	Phase	Deliverables
Week 1	Setup & Build	Domains configured, website build starts, Razorpay KYC submitted, product photos collected, GBP created

Week 2	Content & Optimize	Products uploaded, SEO setup, WhatsApp catalog updated, payment testing, Google citations submitted
Week 3	Launch	Client review, final fixes, GO LIVE, 1-hour training session, documentation handover

8. WHAT YOU OWN

Sab kuch aapka. Agar kal hum exist nahi karte, aapka business phir bhi chalta rahega.

- Website source code and design - full handover
- All 4 domain names - registered in your name
- Admin panel - complete access to manage everything
- Google Business Profile - on your Google account
- Ad accounts (Meta + Google) - in your name, full access
- All customer data - orders, analytics, contacts
- WhatsApp Business - already yours, we only optimize

TO GET STARTED

1. Confirmation + advance payment
2. Product photos (Instagram photos work perfectly)
3. Product list with prices (any format - Excel, WhatsApp, photo of notebook)
